### ***Our Purpose/Mission***

- To meet a need for a Bible study group for older members of the congregation at a time and place suitable for them.
- To provide a warm, welcoming and supportive fellowship which encourages continued growth in spiritual maturity despite the difficulties of aging.
- To strengthen ties to the worshipping congregations, so that we continue to feel part of the church's mission.

### ***Our Values***

### ***Our Vision***

- Continuing with the above.
- Encouraging others to join, though space may be a problem. Perhaps we need more than one group? More than one leader?
- As we age, we need constant reassurance on our faith journey. We need to be reminded of God's grace to sustain us.
- Extending the existing group from time to time to a lunch hour for more fellowship with time to reminisce and share memories, bringing our own lunches (different dietary needs!) and sharing time together. Small groups are more than Bible study!
