## *Our Purpose/Mission*

To provide the overall leadership of this church in a way that maximises the fulfilment of our mission, while leaving the actual management to those entrusted with it.

## *Our Values*

## *Our Vision*

(For June 2018)

The elders are a close-knit team, committed to hearing the voice of God and giving leadership based on the leading of God. That leadership consists of a) making wise governance decisions corporately (i.e. decisions that affect the whole church) and b) giving individual leadership to some aspect of the church. Other leadership is delegated and those leaders (along with their teams) are trusted to grow their particular ministry and are supported by the elders.

## *Our Purpose/Mission*

To lead the staff, elders and the whole church (but with a focus on the Contemporary Congregation) so that we fulfil our mission.

To personally make disciples through teaching and other forms of ministry and to lead others in disciple-making (especially through the missional community.)

## *Our Values*

## *Our Vision*

(For June 2017)

1. A growing culture of mission within the church and a growing sense of clarity about our purpose.
2. Systems and practices that have been thrashed out, are in place and serve us well.
3. that we are less in transition and more established in a new phase of our life.
4. That, as part of that, I can focus even more on the areas I can contribute to best and we have more people exercising their own ministries in other areas.
5. That we have a staff team working harmoniously and effectively and that I am leading that in a way that I helpful to all.
6. That we have more people involved in learning and growing and more people intentionally mentoring others.
7. That I am a mentor to the mentors.

## Our Purpose/Mission

To model, teach and encourage vibrant faith in God through a living relationship with Jesus which is naturally shared with others.

To encourage an atmosphere where people trust one another with as much of their lives as they can because they feel valued and nurtured in our church.

To care for people's whole lives, respecting their personalities, life styles and faith journeys, responding to their needs or finding appropriate support for them, throughout challenging or stable times.

## Our Values

I want to be treating people in such a way that they experience the love of Jesus Christ through me. I want to have time for all people, especially those in need, and for people to know that I care for them deeply and prioritise their pastoral needs.

## Our Vision

We want to see by this time next year, and continuing well beyond:

A welcoming culture within our church so that newcomers easily feel at home in our Church Family.

Christ-like growth, within individuals, whatever our stage of faith or life.

Movement beyond our comfort zone to be readily sharing our faith in Jesus with others, and discipling those who are his followers.

A team ministry team that continues to thrive as we learn from each other and inspire and support one another
